

The following Privacy Policy sets out the rules for saving and accessing data on Users' Devices using the Website for the purpose of providing electronic services by the Website Administrator.

§ 1 Definitions

Website - the website operating at www.piim.org.pl

External website - website of the Administrator's partners, service providers or recipients
Administrator - Polish Chamber of Information Technology, operating at: Aleja Jana Pawła II, No. 27, with the assigned tax identification number (NIP): 5272740452, assigned the REGON number: 362028110, assigned the KRS number: 0000566215, providing electronic services via Website and storing and accessing information on User's devices

User - a natural person for whom the Administrator provides services electronically via the Website.

Device - an electronic device together with the software through which the User gains access to the Website

Cookies - text data collected in the form of files placed on the User's Device

§ 2 Types of Cookies

Internal cookies - files placed and read from the User's Device are sent by the Website's ICT system

External cookies - files placed and read from the User's Device by IT systems of external Services

Session cookies - files placed and read from the User's Device by the Website or External Services during one session of a given Device. After the session, the files are removed from the User's Device.

Persistent cookies - files placed and read from the User's Device by the Website or External Services until they are manually deleted. Files are not automatically deleted after the end of the Device session, unless the User Device configuration is set to the mode of deleting Cookie files after the end of the Device session.

§ 3 Security

Storage and reading mechanisms - Cookies storage and reading mechanisms do not allow the collection of any personal data or any confidential information from the User's Device.

Transferring viruses, trojans and other worms to your device is practically impossible.

Internal cookies - internal cookies used by the Administrator are safe for Users' Devices

External cookies - the Administrator is not responsible for the security of Cookie files from Website partners. The list of partners is included further in the Cookie Policy.

§ 4 The purposes for which cookies are used

Improving and facilitating access to the Website - The Administrator may store in cookie files information about the preferences and user settings of the Website to improve, improve and accelerate the provision of services on the Website.

Logging in - the Administrator uses Cookie files to log Users on the Website

Marketing and advertising - The Administrator and external websites use cookie files for marketing purposes and serving Users' advertisements.

Statistical data - The Administrator and external websites use cookie files to collect and process statistical data such as e.g. visit statistics, User Device statistics or user behavior statistics. These data are collected for the purpose of analyzing and improving the Website.

§ 5 External websites

The Administrator cooperates with the following external services that may place Cookie files on User's Devices:

- Google Analytics
- Google AdSense
- Google AdWords

§ 6 Possibilities to determine the conditions of storage and access on User Devices through the Website and External Services

The user may at any time independently change the settings for saving, deleting and accessing data of saved cookies.

Information on how to disable cookies in the most popular computer browsers and mobile devices is available at: [how to disable cookies](#).

The User may at any time delete all Cookie files saved so far using the User's Device tools through which the User uses the services of the Website.

§ 7 Website Requirements

Restricting saving and accessing Cookie files on User's Device may cause malfunction of some of the Website's functions.

Privacy Policy

The Administrator does not bear any responsibility for incorrectly functioning Website functions if the User restricts in any way the ability to save and read Cookie files.

§ 8 Changes to the Privacy Policy

The Administrator reserves the right to change this Cookie Policy at any time without informing users about it.

The changes made to the Cookie Policy will always be published on this page.

The introduced changes come into force on the day of publication of the Cookie Policy.
